	I95-04-044	Order Instituting Investigation on the Commission's Own Motion Into Competition for Local Exchange Service.

**Summary: THIS IS AN AUGMENTED NOTICE OF EX PARTE COMMUNICATION WHICH WAS FILED ON JULY 2, 2001 AND APPEARED**

**IN THE CALENDAR ON JULY 5, 2001.** On June 27, 2001, Laura Scher, Chief Executive Officer of Working Assets Long Distance (Working Assets), met with Cmmr. Lynch in San Francisco. Also present was Stephen Gunn, Vice President-Operations of Working Assets. Written materials (attached to the notice) were used. In addition to meeting with Cmmr. Lynch, Scher submitted a letter to Cmmr. Lynch (attached to the notice) reiterating the concerns raised in the meeting. Scher described Working Assets' previous inability to compete in the local market as a reseller because of operational problems created by Pacific Bell and because the wholesale discount was and is too small to provide profitable margins. Scher pointed out that there is a serious lack of competition in the residential local markets. Scher explained that given Pacific Bell's monopoly power in the local markets, Pacific Bell's entry into the long distance market is likely to dampen competition in that market. Scher stated that Working Assets has experienced declines in customer sign-ups through the local phone companies in both New York and Texas as the phone company reps sell their own service for customers seeking long distance from competition carriers.
